Hi Ilektra,

thanks for that. I know that ARMS is aware of the very biased AGs Intercountry adoption supervisory panel. I was contacted by Lynelle Beveridge from ICAN, who wants to put some names forward of women who were separated from their infant by adoption and then migrated to Australia. If its okay I will forward on your email to her and you can liaison directly - hopefully we get a more balanced perspective with mothers on the Panel able to speak up on behalf of mothers in developing countries.

kind regards
Chris
