Good Morning Chris. I'm not sure if anyone else has responded to this request as I noticed it was sent on Thursday. The ARMS office is only attended 9am -2pm Tues - Thursday so I have only just received your request and hope that it is not too late. A number of ARMS members are from the UK and would fit this description having had their children placed when they were young before they subsequently migrated. If there's anything I can do to help I'm here until 2pm today.

Kind Regards

Ilektra
